Sir,

We have received your product information along with the list of your customers. We thank you send the information. We do not have any formal approval procedure. But we enlisted you in our record for the supply of pressure and DP switches.

We will inform our customers about your credentials and recommend your switches for our application. However we will also watch the performance of these switches and get feedback from our clients for further action.

Thanks,

K.Balasubramanian
General manager/C&I
Fichtner consulting engineers India Pvt Ltd
